Subject: Complimentary Online Courses To Help You Manage Your Remote Workers

Good Morning.

In response to the growing concern of COVID-19 in the United States, companies are implementing work from home policies to prevent the spread of the coronavirus.

Lorman Education is passionate about online professional learning and offers several courses to help you manage a remote workforce.

To help prepare you for remote work, Lorman is offering these **on-demand webinars at no cost to you:**

- [Work From Home Programs Do's and Don'ts](#)
- [Managing Telecommuting in a Changing Legal Environment](#)
- [Time Management Best Practices When Working at Home: Focusing on What Matters Most](#)
- [Workers' Compensation Liability and the Remote Employee](#)
- [Hot Wage and Hour Issues: Overtime Concerns With Remote Access and Mobile Devices](#)
- [Practical Tips for Managing Virtual Teams and Off-Site Employees](#)
- [The Long Distance Leader: Strategies for Leaders Separated From Their Team by Location and Time Zones](#)

It can be challenging to keep processes rolling while still looking out for you and your employees' best interests during a public health crisis.

We hope these resources are beneficial for your company during these worrying times. If you have any questions regarding these Lorman webinars, please feel free to let us know.

To your health,

Lorman Education Services
