

March 29, 2020

TO: ALL MEMBERS OF THE  
PENN-DEL-JERSEY CHAPTER, NECA

FROM: AARON R. KELLEY,  
GOVERNMENT AFFAIRS COORDINATOR

**RE: PA GOVERNOR WOLF: RESERVE EMERGENCY GENERATORS**

Pennsylvania Governor Tom Wolf has requested information on the quantity, sizes, and locations of all available emergency generators throughout the Commonwealth.

In conjunction with IBEW LU 98, the Chapter is compiling a list of generators that could act as backup power sources for critical infrastructure in the event of a statewide emergency.

Please consider whether you have any backup generators available for lending to the state in the case of an emergency. All sizes and types of generators would be valuable.

If you have any available and would like to contribute to this emergency reserve list, please email your generator quantity, sizes, and locations to [akelley@neca-pdj.org](mailto:akelley@neca-pdj.org).

Thank you very much for your time and consideration!

Very Respectfully,

ARK
