TO: ALL MEMBERS OF THE
PENN-DEL-JERSEY CHAPTER, NECA

FROM: AARON R. KELLEY,
GOVERNMENT AFFAIRS COORDINATOR

RE: **SHUTDOWN UPDATE: LIMITED CONSTRUCTION EXCEPTIONS**

Please be advised that Pennsylvania Governor Tom Wolf has issued limited exceptions to the Construction Industry physical operations shutdown.

Contractors may continue physical operations exclusively related to the “**construction of health care facilities**” and “**emergency repairs**” during the Pennsylvania business shutdown. Waivers are not needed to continue these operations.

Physical operations must cease on **ALL OTHER CONSTRUCTION** in Pennsylvania, per the [updated business operations status table](#) released by the Governor. Enforcement of this shutdown order will begin at midnight tonight.

If you feel that any of your non-exempt business operations are “life-sustaining”, you may submit a waiver application to the PA Department of Community & Economic Development. If your waiver is approved, you may continue these other “life-sustaining” activities.

To apply for a waiver, click on the link below and follow the form instructions:

If you have any questions about the amended shutdown order or the waiver application process, please contact me at akelley@neca-pdj.org or 267-872-5890.

Very Respectfully,

ARK
