RE: PA CONSTRUCTION REOPENS MAY 1, 2020 WITH RESTRICTIONS

Pennsylvania Governor Tom Wolf announced today that all Construction previously deemed non-essential **may resume** throughout the Commonwealth starting **next Friday, May 1, 2020**.

Job sites which reopen will need to adhere to strict guidelines regarding employee safety, social distancing, and mask usage. These **have not yet been released**. The Chapter will distribute them when they become available.

The situation continues to change daily, so please stay tuned for further updates.
