RE: **PHILA. CONSTRUCTION REQUIREMENTS ENFORCEMENT**

Philadelphia L&I will begin job site inspections and enforcement of COVID-19 Construction requirements on Monday, June 1, 2020.

AIU Inspectors in marked City cars will conduct citywide patrols, inspecting all active job sites encountered. Inspections will consist of photographs and note-taking. Inspectors will not interact with Contractors unless necessary.

Inspections will highlight proper PPE, Pandemic Safety Officers (PSOs) & certifications, written pandemic safety plans, and other requirements issued by the City.

If violations are observed and the Contractor responsible can be determined, the City will issue a Notice of License Violation to the Contractor. COVID violations carry a \$2,000 fine. They will be appealable to the Board of Licenses and Inspections Review.

Please refer to the following City publications to ensure proper job site compliance:
