

**MEMORANDUM OF UNDERSTANDING
CLASSIFICATION DESCRIPTIONS**

Between

Penn-Del-Jersey Chapter NECA and Local Union 126, IBEW

This Agreement, entered into this 5 day of May, 2018, reflects the understandings of the parties, and agreements related thereto, with respect to Classification Descriptions for all projects, as defined in the Commercial Agreement.

This Memorandum of Understanding (MOU) shall be effective May 5, 2018 through May 1, 2020. It shall continue in effect from year to year thereafter. Either party desiring to change or terminate this agreement must provide written notification at least 90 days prior to the expiration date of the Commercial Agreement.

Classification Descriptions:

Electric Lineman – assembling, installation, erection, operation, maintenance, repair, control, inspections of all electrical apparatus, devices, wires, cables, supports, insulators, conductors, ducts, raceways, conduits including temporary, permanent, maintaining or restoring electrical service when part of outdoor lighting and wiring when fed from the street and controlled from the street. All work consisting of wood poles, concrete or metal (or substitutes therefore) poles or towers, including wires, cables or other apparatus supported therefrom. Installing and maintaining the catenary and trolley work on railroad property and bonding of rails. All outdoor substations, electrical connections and grounding including the setting of transformers and connecting the buses thereto, windmills and solar installations. Installation and maintenance of roadway lighting and traffic signals systems, electronic signs, and intelligent transportation systems.

Groundhand – when directed shall assist an Electric Lineman in the performance of his work on the ground. The Groundman shall not climb poles, structures, towers or work from an elevated platform or bucket truck. No more than two Groundmen shall work alone unless performing various non-electrical foundation, fencing and civil work.

Winch Truck Operator – Rate is to be paid when operating a mobile mounted crane with auger attached for hoisting material, auger drilling holes, setting poles and pole attachments when working in conjunction with Electric Linemen.
